Chapter 1

Rise, Book of Monsters

On one hot day, Jestro the Evil Jester was wandering around a boiling lair.

“I wonder what that is” Jestro said calmly. “I’d better have a look inside this lair”.

Just then he opened the black door and screaming scurries flew out screaming, “We’re all going to die.”

Suddenly Jestro recognised what the lair was called. It was called Jestro’s Volcano Lair.

“Help me” cried a familiar book tangled up in a cold iron chain.

Jestro rushed to untangle the brown book.

“Who are you?” boomed Jestro.

“I am the Book of Monsters” said the book.

“Whoa! You can talk” said Jestro.

“Yes I can” said the Book of Monsters.

“Enough talking for now” boomed Jestro.

”Why?” asked the Book of Monsters.

“Because we need to get out of here before we get burnt to death Mr book” said Jestro with anger.

“How dare you call me Mr Book” said The Book of Monsters.

“There’s no time to waste. We need to evacuate out of this lair right now” shouted Jestro.

Jestro and the book of monsters ran as fast as a Cheetah out of the lair and only just managed to escape the lair without getting burnt to death.

Chapter 2

Get Prepared

Inside the Nexu Knights Rolling Fortrex, Ava was looking at the security cameras to look if Jestro was going to attack them.

Just then Ava saw Jestro attacking Knightonia so then Ava told the Nexu Knights that they need to get prepared to battle Jestro and his Stone Army.

Ava programmed the Fortrex to drive to the small city of Knightonia.

When the Fortrex was halfway till reaching Knightonia, Ava said, "Alright Nexu Knights, we need to do some training".

"Why?" said Aaron.

"Because we need to defeat the stone army, Jestro and Monstrux once and for all." said Ava.

"What about that crazy forbidden power that killed Clay?" said Aaron.

“No need to worry, I’ve got a spare backup of Clay” said Ava.

“You’re kidding me!” said Aaron.

“Nope I’m not kidding.” boomed Ava.

“Then prove it.” said Aaron.

“Alright then. Hit it Robin” shouted Ava.

“Dan Dan Da” said Robin excitedly.

“Sick, Robin!” said Aaron.

“Thanks” said Robin.

The Sat Nav said that the Nexo Knights were in Knightonia.

“Now, Nexo Knights we need to get out of the Fortrex to battle Jestro. This may be an epic fight,” said Ava.

“We’ll see about that” said Robin.

Chapter 3

The Battle of Knightonia

When Jestro rolled up to the small Fortrex Jestro shouted “Tremor before me”. “That’s right”, added The Book of Monsters.

“What, how did you survive?” said Aaron.
“Jestro saved me,” said The Book of Monsters.

“Take him on all at once” said Stone Clay.
“Chaaaaaarge” cried Macy.

All the Nexo Knights charged at Jestro but Jestro launched the Forbidden Combo and it killed Axl, Macy and Lance. It’s up to Stone Clay and Aaron to defeat Jestro and get the combo off of him. At the Nexo Knights Fortrex

Ava said, “Nexo Knights, Robin has made a spare back up of Axl, Lance and Macy to go into battle.”

“Remember always use a single power to make it look like a combo power” said Ava.

Did it work? Yes it did work and then Jestro, The Book of Monsters and their evil army of

scary stone monsters was killed and became extinct.

Horary for Aaron cheered the Nexo Knights.

Chapter 4

Parade Party

At Dusk the Nexo Knights had a parade for killing the Evil Army, Jestro and the Book of Monsters. After the parade the knights had some free time on their virtual reality camera game Nexo Knights as you can see in the picture.

Chapter 5

Epilogue

When it was are prnighttime in Knightonia the Nexo Knights had Pizza to celebrate. But one problem struck, Axl couldn't eat because his mouth was stone and he couldn't open his mouth. "If at first you try and you don't succeed, you try try again."
