Chapter 2

The Search for the Second Power

At Jestro's spooky headquarters, Jestro talked to the Cloud of Monstrux about the two powers they desperately needed. "What powers should we inherit today?" said Jestro with enthusiasm. "We should inherit Wrecking Wrath and Awesome Annihilation" said the cloud of Monstrux angrily. "Do you know where" ... BOOM! Clay came flying out of nowhere and landed in front of Monstrux and Jestro. "Ha Ha Ha. I can see a forbidden power in your hand clay face". Said Jestro. "Don't call me clay face or I'll destroy you" said Clay. Take it away said Jestro then in a streak of light Clay got electrocuted and dropped the forbidden power in front of evil Jestro. "Now we only need one more forbidden power then we can make our ultimate weapon" said Monstrux.

One More Step

At the Nexo Knights fort, called the Fortrex, Robin, a young engineering kid was studying a forbidden power called awesome annihilation. Just then Jestro deployed monsters and Monstrux into the Knights castle. Monstrux then beat up Robin with lightning and got the Nexo power and flew through the pitch-black sky back to Jestro's headquarters. A few moments later Jestro's headquarters rolled into the fortrex and stole the combo scanner.

Chapter 5

Hard Battle

The Nexo Knights saw what Jestro and Monstrux were doing to Knightonia with their secret cameras stuck on the outside of the Fortrex. They rushed to Knightonia to

fight Monstrux and Jestro.

Just when Jestro saw the Nexo Knights he launched the combo and

Monstrux shouted “Annihilation of the hungry wrath”. The Nexo knights grew weaker and weaker then they just died because the combo made him too weak to move. After hours of fighting, Aaron had a bright idea. He said to all the knights “Make a combo scanner shape”. Did it work? Yes it did work! And at that very moment Jestro’s army ran for the hills.

Chapter 6

The Parade
